

CONGRATULATIONS!

Noetic Learning Math Contest 2021

CEDAR CREST ACADEMY
ELEMENTARY

A Special Announcement

Dear Osprey Families,

In November, thirty-four Cedar Crest Academy students in second through fifth grade competed in the Noetic Learning Math Contest. We would like to congratulate all Cedar Crest students who participated in this very challenging event. The contest results demonstrate our students' great problem-solving skills and math talents. It also shows that our students can rise to the occasion and meet any mathematical challenge.

Today, for the first time in Cedar Crest history, we are elated to announce that our Second Grade Team placed first in the nation and is a Team Achievement Award Winner! With over 32,000 students in second through eighth grade competing in this challenge, taking the top prize is a tremendous accomplishment. Please join me in congratulating our Second Grade Team comprised of Julian Ma, Marcus Zhang, Adam Zhao, Sherilynn Li, Nicholas Zlati, Aarini Mehta, Erica Hao, Michael Novokhatskyi, Zhiyuan Ruan, Theodore Zlati, Anders Liu, Blake Zhang, Ivy Wang, Horace Ma, Nick Zhang, Elizabeth Torchinsky, and George Ng.

Our Third Grade Team also performed extremely well, placing 14th in the country, and are also a Team Achievement Award Winner! Congratulations to Shreya Pachalla, Aravind Arunachalam, Kaityln Chan, Artem Skydan, Taylor Wu, Willa Blanco, Jason Blanco, Taaraa Danderkar, and Vivian Zeng.

Way to go Second and Third Graders; our Cedar Crest Community is so proud of you!

We would also like to recognize our team winners at each grade level. The team winners answered the most questions correctly at his or her specific grade level.

The following students are our team winners:

- Second Grade Team - Julian Ma, Marcus Zhang, Adam Zhao, and Sherilynn Li
- Third Grade Team - Shreya Pachalla
- Fourth Grade Team - Ilia Maksimchuk
- Fifth Grade Team - Alisa Nikitina

In addition, we would also like to extend a huge congratulations to twenty-one of our Cedar Crest Academy students for receiving Honor Roll status. Due to the challenging nature of this exam, this is a very impressive accomplishment. These students placed in the top 10% of all participating "mathletes." We also had eleven students receive National Honorable Mention. This title is awarded to approximately the top 50% of participating "mathletes." Congratulations to all!

Our full list of team and individual winners can be found [here](#).

Congratulations Ospreys
